

The Lord's Prayer

As translated by Gracie, Connor, Hunter, Katelyn, Mason (2017)

Our Pops who lives in peace,

You give us good vibes.

Share your home among us peeps

Like yo's house in heaven.

Give us the food we need.

Sharing is caring;

May we share too.

Save us from the drama

And stop all the troubles.

Your powerful amazing house

Will be there forevs
