

The Lord's Prayer

As translated by the Durham, Riegelsville, and Trinity Confirmands (2019)

Mom, Queen of Heaven, our Creator,
your name is lit and legit! We luv it.

Your house is getting burnt.

May we act as you wish,
as is done in all of your lands.

Give us the stuff that we need.
Forgive us for what we do that is bad,
and we'll forgive ppl as well.

Don't bait us to do bad things,
and help us with bullies and such.

Ur amazing God.
You have all of it,
and your truth is absolute.

Forever.
So THANKS!
